All LHS students with official business should enter campus through Lahainaluna Road. Any high school student waiting for an LIS sibling or minor family member must do so in the parking lot area.

Parking Pass Procedures: Parking Pass applications can be picked up from either Vice Principal Jeri Dean or Miss Hawealani Kahahane.

Step 1: Student picks up application

Step 2: Student pays for pass at the office with Mrs. Debbie Rogers

Step 3: Student turns in application, receipt and copy of required documents into Vice Principal Dean's mailbox in the main office

Step 4: Miss Hawealani Kahahane will process applications and will distribute stickers accordingly

*Stickers are currently not available; however, as they become available, students who have submitted apps will be notified directly.

*Students will be allowed to park without passes until August 25th, at which time it is the intention to have all parking stalls accounted for.

*Parking passes will be issued on a "first come, first serve" basis

Any questions, please feel free to contact Vice Principal Jeri Dean directly.

Traffic Flow for Mornings and Afternoons: We apologize for the inconvenience of not being able to catch a bus has caused for you and your family. In an attempt to help move traffic as quickly as possible, you will notice signs that allow for three lanes in the student parking lot. The two side lanes will be for students parking and being dropped off or picked up in the afternoons, while the center lane is for thru traffic ONLY. Please explain to your drivers to drop you off along the sides of the parking lot allowing for others to drive thru with ease. Members of the administration and security team will be there to facilitate this change. Thank you all for your patience and understanding.
