To all students interested in joining the robotics team, there will be a informational meeting during lunch on Wednesday May 25 at the IET classroom S2 next to the auto shop. We do a lot of community service and mentoring of elementary school students. This past year 100% of our students that applied for a scholarship, got one. Any questions see Alana Power or Mr. Sasai

Sew a Lei for Memorial Day: Memorial Day is the Monday after school gets out this year, but leis are still needed from schools and communities. The statewide goal is 50,000 leis to be collected to be used to adorn the memorials of Veterans. If you'd like to make a contribution to the cause, students and faculty may bring ti leaf leis to school the morning of Wednesday, May 25.

Leis must measure 20-24 inches long before being tied and must be made of ti leaf as we are hoping for it to last till Memorial Day itself. As a bonus, students who bring in leis will get 1 hour of detention taken off for every 2 ti leaf leis they bring in. All leis must be dropped off to Auntie Hawea in the old cafe on Wednesday, before school, by 7:45am. If you have any questions, please see Mrs. Carlos in the SAC room.

Summer Reading: Please check Edline for the updated pdf file to your summer reading. Happy Reading

All students who plan on enrolling in AP biology in the fall please see Ms. Lynn in AA104 for your AP biology summer packet. All AP Summer contact information and AP commitment forms must be signed and returned to Ms. Lynn before May 25.
