To all Students: Students leaving campus during the school day for personal business must present a **WRITTEN REQUEST (No Phone Calls Please)** to the attendance office **IN ADVANCE**; no later than **8:00am** the morning of. The note should include student name, grade, reason for leaving, time leaving, parent name and contact number. The attendance office will attempt to make contact with parents/guardians to verify all letters received. All letters must be verified in order for PLC's to be approved (meaning parents will need to verify the letter. If we do not get in contact with parent, the student may not be granted his/her PLC).

Passes to leave campus will be issued for the following reasons: 1) Medical or dental appointments **verified by an appointment card or note from the doctor or dentist** 2) Illness substantiated by the **school Health Aide** (all sick students must report to the health room. Our Health aide will administer to the sick/injured student and make contact with parent if student needs to be sent home. Parents should not be calling the attendance office to request for PLC for their child. The health aide will determine whether they need to be sent home or not. 3) Driver licensing (verification from DMV required upon returning to school) 4) Family emergencies (administration approval needed)

ALL last minute PLC's may require parents to physically come and sign out the student for verification purposes. Student's who have a valid driver's license and will be driving themselves home, will need a written waiver from the parent/guardian authorizing them to drive home.
