Lunas! We need your help! Mr. Palakiko has no access to running water or even any water for that matter. He has a family with young children and is in need of any supplies at this time. If you are able to provide any assistance, Mrs. Tuipulotu will be taking donations in her room, D-19, then deliver to them as soon as supplies build.

The following is a list of supplies they can use: water, toiletries, non-perishable food, gift cards (Home Depot, Ace, anywhere), towels and more water. Please help in this time of need. Mahalo!
