This Wednesday, we will be having a school wide field day for all students. I repeat, on Wednesday, we will be having a school wide field day for all students. The schedule for Wednesday is slightly modified in order to accommodate the event. The rotation will be 5,6, recess, Po'okela/Field Day, lunch, 7.

Students have been separated into 5 teams per grade level through their Po'okela classes. Team lists as well as events have been posted around campus, so please take a look at them to see what team you are on.

All students must be in uniform at all times, but may temporarily change into extra clothes while participating in the field day activities. All clothes on the field must still follow dress code policy. You may be getting wet while participating, so plan accordingly. Please realize that you must be back in uniform after the field day activity. Students are not allowed to be out of uniform just because they got their uniform wet during the activity.
