Also effective today, there will be no student parking below the band room until all stalls in the upper student parking are filled. Lastly, any cars found below by the water tank that are blocking access to the gate, will be towed by Maui Electric Company. Please see Ms. Dean if you have any questions.

Have you always dreamed of traveling to Europe? The sights sounds and flavors of Paris, Madrid and Barcelona could be yours to experience over spring break. This trip will not come cheap, but if you are interested, please attend an informational meeting in Ms. Olson's room, P-10, at lunch on Tuesday, September 12. You do NOT have to be a French or Spanish student, but you do need to be able to demonstrate that Ms. Olson can trust you that you will be smart and safe enough for her to be your international chaperone. Need more information? Come to the meeting! Tuesday, lunch time, P-10.
