Some students have recently received "offers" and/or "information" from groups, businesses or individuals pretending to be, or to speak for, the Lahainaluna High School Chapter of the National Honor Society. THESE OFFERS AND INVITATIONS ARE NOT AFFILIATED WITH LAHAINALUNA NOR NHS. THEY ARE FAKE.

The invitation to apply to the Lahainaluna Chapter of the National Honor Society comes from the Faculty Advisor, Ashley Olson, and it is offered only to sophomores and juniors with a minimum, cumulative GPA of 3.7 in the spring. Invitations to apply are distributed during third quarter. Upon receipt of your completed application, the LHS faculty rates each applicant as a potential NHS candidate. The NHS Faculty Council then reviews the applications and faculty rating, and then selects those students who will be offered membership. There are announcements on the morning broadcast to let students know that the application process has begun, and any information you receive will come through the school (given to your teachers to be shared with you).

If you receive any other so-called applications or offers of membership by email or snail mail, please inform Ms. Olson. She can verify for you whether or not the information you have received is legitimate or not.
