Lahaina Arts Association is pleased to announce the 40th Annual High School Senior Art Competition, Exhibition and Scholarship Awards Program, this coming April. This program gives graduating high school art students an opportunity to exhibit their artwork and attain partial scholarships to assist with funding their post-secondary art education. In honor of 40 years of supporting young artists, this year we are increasing our scholarship awards, in hopes of making a greater impact on the winning artists.

We hope to have participation by students at your school. The information and forms are also available for download on our website at www.lahaina-arts.org. Or you can contact Erin Brothers, Executive Director, at erin@lahaina-arts.org
