**Please Kokua!** Malakai Baldwin, a 10th grader from Lahainaluna, was severely injured when a 400 pound boulder came loose and crushed his leg. A flight for life helicopter came and flew him to the hospital where a surgeon was flown in from Maui. Thankfully his life was saved!! Malakai runs track, loves to surf and is passionate about trail riding his dirt bike. His future ability to do these things, or even walk normally again is in question. We are praying and hoping for the best as he heads into future Multiple surgeries. Eric West, the father of one of Malakai's friend, has set up a Go-Fund Me Page to help Malakai's parents to pay for medical expenses and has asked us to help. Please Kokua!
