HYCC is a 6-week paid internship during the summer. This program is for young adults from 17 -24 year olds and is done on all of the

major Hawaiian Islands. You can earn money, travel, do lots of hiking & camping, build teamwork, gain valuable work skills, make many new friends, and go to awesome places that most people will never see in their lifetime. Go to [Kupu.org](http://Kupu.org) or search for videos on You Tube/Vimeo to find out more about KUPU and its HYCC program. Search using the words KUPU Hawaii.
