Hello Juniors, Sophomores and Freshmen. We are preparing for registration for our dual credit courses next year and we need your help. We want you to take a quick survey about whether you are interested in taking a dual credit course or not and what courses may interest you. We are encouraging all of you to take the quick survey. The survey is on our school website and the deadline is this Friday, November 15th. Dual credit courses are courses that can be counted for high school and college credit (1 semester = 1 credit for high school and 3 credits for college). These courses will be taught by college professors from UH Maui College in a classroom at Lahainaluna High School. For more information, please see Miss Kristy at the College and Career Center.
