Congratulations to our football team as they captured their 4th consecutive HHSAA Division 2 title by defeating Kapa'a High School by the score of 21-10 this past Friday at Aloha Stadium. In the win, Josh Tihada rushed for an all-division single-game state-record 310 yards and 3 touchdowns. In all, Josh rushed for 1,087 yards and 18 touchdowns on 176 carries in state tournament play. His 19 total state touchdowns are seven more than anyone else. Earlier in the week, Tuipulotu Lai won the KHON 2 Cover 2 Lineman of the year award! The defense held in check a potent Kapa'a offense to 10 points and Tre Rickard intercepted a pass late in the game to seal the win. Congratulations to all players and coaches for an excellent 11-1 season! I mua Lahainaluna!

Good luck to our HOSA students who will be competing at districts today 5pm at Seabury Hall! I mua Lahainaluna!

With the recent outbreaks of brush fires, Shanel Mangaoang, Kailee Badua, Jasmin Fujita, and Anjanette Aveno have come together to bring awareness about emergency preparedness. We created prep4it, to bring awareness about the importance of being prepared for the unexpected. We will be having an event at school during the school year where we will be talking about Maui County's next steps, some tips on preparedness, and guest speakers who were affected by the fire on August 23, 2018. With the gigantic brush fire, a lot of it was unexpected and many of us went days without being able to go to our homes with no food, electricity or water. Follow us on our Instagram; @prep4it to receive information and updates on future events.

The community is invited to **Lahainaluna High School's second student showcase** event on December 11, 2019, at 6:00 pm at the school's Cafeteria. Themed, "Celebrating Student's Innovative Learning," students will exhibit their Project-Based Learning (PBL) finished works that were implemented from various disciplines in Science, Technology, Engineering, Math, Arts, and Social Science.

Guests will have an opportunity to meet and interact with the students regarding their projects. There will also be a learning station wherein guests will have an opportunity for hands-on activities like the spaghetti tower challenge, mystery architecture, and yoga sessions.

PBL is a student-centered pedagogy that incorporates a high degree of student collaboration, critical thinking, creativity, and communication. Based on numerous research results, students have a deeper understanding through active engagements and discovery of real-world problems and challenges.
