With the recent outbreaks of brush fires, Shanel Mangaoang, Kailee Badua, Jasmin Fujita, and Anjanette Aveno have come together to bring awareness about emergency preparedness. We created prep4it, to bring awareness about the importance of being prepared for the unexpected. We will be having an event at school during the school year where we will be talking about Maui County's next steps, some tips on preparedness, and guest speakers who were affected by the fire on August 23, 2018. With the gigantic brush fire, a lot of it was unexpected and many of us went days without being able to go to our homes with no food, electricity or water. Follow us on our Instagram; @prep4it to receive information and updates on future events.

Interested in enrolling in a Music class at Lahainaluna? Don't be "that guy" in the high school that says, "Man, I should have joined". Do it now! Remember, no experience is necessary, just a great attitude! Available classes are Concert Band, Choir, Jazz Band, Pep and Marching Band, Piano, Percussion Ensembles, and Music Theory. Make friends, awesome memories, and show the world what Lahaina can do! Any questions, contact Mr. or Mrs. Carlos.

Interested in the Voyaging class that is offered next school year? If so, check out the video that is shown at morning broadcast and see Uncle Jeremy Delos Reyes for more information and questions. Mahalo!

*JAMBA!! JAMBA!!! Jamba juice cups for sale at the front grass area of Malo Dorms...\$5 for orange dream or strawberry TUES. Dec 3 & 17.....2 pm - 3 pm.....fundraiser for Hawaiiana Club!*

The master withhold obligation list has been updated. Please either see your grade level counselor, any administrator or you could come to the main office located in the Alton Rogers Bldg. and we would be more than happy to help you. Mahalo.

The community is invited to Lahainaluna High School's second student showcase event on December 11, 2019, at 6:00 pm at the school's Cafeteria. Themed, "Celebrating Student's Innovative Learning," students will exhibit their Project-Based Learning (PBL) finished works that were implemented from various disciplines in Science, Technology, Engineering, Math, Arts, and Social Science. Guests will have an opportunity to meet and interact with the students regarding their projects. There will also be a learning station wherein guests will have an opportunity for hands-on activities like the spaghetti tower challenge, mystery architecture, and yoga sessions.

PBL is a student-centered pedagogy that incorporates a high degree of student collaboration, critical thinking, creativity, and communication. Based on numerous research results, students have a deeper understanding through active engagements and discovery of real-world problems and challenges.
