Students (9, 10 or 11) interested in taking a dual credit class next school year, Kamehameha Schools is offering scholarships to individual students to help pay for dual credit courses. Although we would love to offer as many dual credit courses as possible, the reality is that we are struggling to find funding for every class. This scholarship may be a great way to fund your own dual credit course and take courses that may not be offered at Lahainaluna. You may use the scholarship for any UH system school, currently we have courses offered by UH Maui College and courses offered through UH Manoa Academy. **Everyone** can and should apply. Application deadline is **January 31, 2020**. The link can be found at your students email or the school website. If you do receive a scholarship and we have enough money to fund the dual credit course at Lahainaluna you may use it for another course or give the scholarship back to Kamehameha School. If you have any questions please see Miss Kristy at the College and Career Center during morning recess or lunch for students otherwise email Ms. Kristy.
