Dear Students,

There have been many changes this past year, and we want to hear how you're doing. Our school is dedicated to helping students develop the skills they need to succeed in school and beyond, and is participating in a program to better understand how students are using these skills.

To better support you, our school would like to ask you some questions about your experiences and thoughts. Only your teachers and school leaders will be able to see your responses, which will not affect your class grades. Please respond honestly—there are no right or wrong answers! You may use a computer, tablet, or smartphone to access the survey.

Directions for Survey-Taking:

- Go to surveys.panoramaed.com/hidoe
- Enter your 10-digit Student ID
- Complete your survey and press submit

Please take your time to give honest and thoughtful answers. If you have any questions, please contact Mrs. Pakalana Phillips at pakalana_phillips@lahaina.k12.hi.us. Thank you for your feedback. Your responses are an important part of helping to create wonderful school and classroom experiences at our school!

Students: If you are coming to school, please bring your lunch to school or **pick up lunch from the cafe**. In an effort to have the least amount of visitors on campus we are not letting parents or anyone bring lunch or drop off things randomly to you. Mahalo!

For safety and accountability purposes all students will need their student ID to access campus starting Monday 8/31/2020. Mahalo!
