If she hasn't met with you yet, please send her an email ([kristy\\_arakawa@lahaina.k12.hi.us](mailto:kristy_arakawa@lahaina.k12.hi.us)) or text a request to her google phone number. (419) 967-6188

If you email her, remember to add your cell phone number to the email to speed up the scheduling process. The meetings will be either on Webex or Google Meets, let her know if you prefer one or the other.

Remember these meetings can be for college, military or work. If you're not sure what you want to do next year, schedule an appointment and talk it over with Miss Kristy.

#### Announcements:

The Marine Corps recruiter will be setting up a Zoom meeting shortly, they will send me the link and I will forward it to all seniors.

Dear Students,

There have been many changes this past year, and we want to hear how you're doing. Our school is dedicated to helping students develop the skills they need to succeed in school and beyond, and is participating in a program to better understand how students are using these skills.

To better support you, our school would like to ask you some questions about your experiences and thoughts. Only your teachers and school leaders will be able to see your responses, which will not affect your class grades. Please respond honestly—there are no right or wrong answers! You may use a computer, tablet, or smartphone to access the survey.

#### **Directions for Survey-Taking:**

- Go to [surveys.panoramaed.com/hidoe](http://surveys.panoramaed.com/hidoe)
- Enter your 10-digit Student ID
- Complete your survey and press submit

Please take your time to give honest and thoughtful answers. If you have any questions, please contact Mrs. Pakalana Phillips at [pakalana\\_phillips@lahaina.k12.hi.us](mailto:pakalana_phillips@lahaina.k12.hi.us). Thank you for your feedback. **Our yearbook theme this year is "A Year like No other"**. We are asking students, parents, teachers, and staff to upload pictures every week for specific themes. This week's theme is "Distance Learning". Upload your favorite "Distance Learning" photo to our website. The links are available at the school's website under the academics, students, parents, and teachers tab. Next week's theme is "Generations" because our school will be turning 190 years old and we want students, teachers, and staff to take pictures with their children, parents, grandparents, and great grandparents who graduated from Lahainaluna. Please let Aunty Pakalana Phillips know if you have any questions or concerns. She can be contact at [pakalana.phillips@k12.hi.us](mailto:pakalana.phillips@k12.hi.us)

#### **Attention rising 6th through 12th graders in Maui County!**

We are searching for bold, innovative solutions to build a sustainable and vibrant economy now and for the future. Your idea may be the genesis for a new invention, service, technique, application or product that will help bolster Maui County's economy. The COVID-19 pandemic managed to cause havoc in our lives and turn our world upside down. We are faced with high unemployment, business closures and a dramatic rise in public health and safety problems.

As a community, we need to find a new direction and initiatives to reshape and enrich our quality of life (imi pono).

Overdependence on the visitor industry is no longer a viable option. COVID-19 hit this industry so hard it will arguably never be the same, and neither will we.

A survey of Hawaii residents was recently conducted to solicit ideas on what Maui County's "New Normal" should look like. We received promising suggestions and comments.

For more information go to the website at <http://mauicounty.us/imipono/>  
Deadline to apply is Sept. 15, 2020
