Are you familiar with the National Honor Society?

To be eligible to apply for membership for this school year, you must CURRENTLY be a Junior or Senior and carry a minimum of a 3.7 cumulative grade point average. Candidates who meet this initial criteria are invited to apply for admission. The application details your academic awards and honors, community service activities and the leadership positions held, both in and out of school but ONLY from your freshman year forward. After the application deadline (no late applications will be selected) teachers are asked to evaluate the students that they know based on leadership, character and community service. Finally, a faculty advisory committee reviews the students' applications and teacher input, and determines which candidates will be offered membership to NHS which must be formally accepted.

After induction into NHS, members are required to participate in all NHS sponsored community service activities, as well as to complete at least one individual service project each quarter. Given the situation with Covid 19, community service will look different this year.

Should you have the minimum required cumulative GPA and wish to apply for membership to the National Honor Society, please respond to the email you received from Ms. Olson last week, or email her directly (ashley_olson@lahaina.k12.hi.us) and request an application. You will receive a fillable PDF to complete.

Applications will be due on September 9, 2020. Late and/or incomplete applications will not be considered.

Attention rising 6th through 12th graders in Maui County!

We are searching for bold, innovative solutions to build a sustainable and vibrant economy now and for the future. Your idea may be the genesis for a new invention, service, technique, application or product that will help bolster Maui County's economy. The COVID-19 pandemic managed to cause havoc in our lives and turn our world upside down. We are faced with high unemployment, business closures and a dramatic rise in public health and safety problems.

As a community, we need to find a new direction and initiatives to reshape and enrich our quality of life (imi pono).

Overdependence on the visitor industry is no longer a viable option. COVID-19 hit this industry so hard it will arguably never be the same, and neither will we.

A survey of Hawaii residents was recently conducted to solicit ideas on what Maui County's "New Normal" should look like. We received promising suggestions and comments.

**For more information go to the website at <http://mauicounty.us/imipono/>
Deadline to apply is Sept. 15, 2020**
