2021 Nalukai Startup Camp: Nalukai is a free intensive tech, entrepreneurship, leadership, and design program for Hawai'i high school students. Each student is provided with guidance from industry leaders, innovative educators, and cultural practitioners who help students craft their own startups and pitch their ideas to an audience of venture capitalists, peers, and local business owners at the end of the camp. And best of all, when students are accepted into the camp (via a thorough application), the costs of the program are covered by a full scholarship. Also, all students receive a laptop that they will be able to take home after camp in order to equip our "founders" with a powerful tool to help them build out the businesses they conceptualize while they are at Nalukai. The program will run for two weeks this summer, from July 5–18. Applications are due by May 1 at Nalukai.org. Link to the application: <https://form.jotform.com/210336688019155>
