Hey underclassmen! If you haven't heard already, Lahainaluna will have a modified block schedule for the school year 2021-2022. Students could have all semester classes meaning 4 classes each semester or students could have a combination of semester and year classes.

A majority of the year-long classes are elective courses like culinary, ceramics, or band while the majority of the academic courses are semester classes.

Since you registered for 7 classes, we would like you to select your 8th class by filling out the Google Form which can be found at our school website. Please refer to your course confirmation sheet that was mailed along with your Spring Report Card.

If we do not receive a request from you by May 28, 2021, we will use your first alternate as the 8th class. Please note that dual credit classes are not available for period 8. Mahalo!

Seamless Summer Feeding FREE MEALS at Lahaina Intermediate School Starting June 4, 2021 to July 19, 2021 from 11:00 AM-11:30 AM. Hey Seniors! We're nearing the end of the school year and one of Miss Kristy's traditions is to post notes on her college map in the College & Career Center for everyone to see where our seniors are headed. She won't allow that tradition to end because of Covid. Seniors please post a sticker on her Jamboard, whether you are headed to college, vocational school, military or work. She prepared 5 iconic Lahainaluna photos as the background for everyone to add their own sticker.

Your sticker should have your first and last name, the name of your college/vocational school or branch of the military and city & state of where you will be. Students planning to work should just list their first and last name and city & state of where you will be working. She prepared a sample on the first slide of her Jamboard. Please keep your sticker as small as possible so everyone can fit.

Please email Miss Kristy if all 5 boards are full, she can create more boards. **Please do not edit anyone else's sticker.**

To all music department students and parents, there is a virtual booster meeting tomorrow. Thursday, May 20th from 5:30pm to 6:30pm. For more information, check out the music department Facebook page. Mahalo!
