To all underclassmen, for the school year 2021-2022 school year scheduled to begin on August 3rd, all HIDOE schools will be fully open for daily, in-person learning. This includes resuming co-curricular and extra curricular activities such as clubs, band, and athletics. For more information about it, please visit our school website and read the letter from our superintendent. Mahalo!

Hey underclassmen! If you haven't heard already, Lahainaluna will have a modified block schedule for the school year 2021-2022. Students could have all semester classes meaning 4 classes each semester or students could have a combination of semester and year classes.

A majority of the year-long classes are elective courses like culinary, ceramics, or band while the majority of the academic courses are semester classes.

Since you registered for 7 classes, we would like you to select your 8th class by filling out the Google Form which can be found at our school website. Please refer to your course confirmation sheet that was mailed along with your Spring Report Card.

If we do not receive a request from you by May 28, 2021, we will use your first alternate as the 8th class. Please note that dual credit classes are not available for period 8. Mahalo!

Hey Underclassmen! Just a reminder that Chromebook drop off days are:
