Attention all students! The Ho'ohanohano Initiative is a program whose goal is to supply free period products across campus. They are in charge of the Ma'i Spot containers you see by bathrooms and in classrooms. However, they need volunteers to help them with their goals. If you want to help the Ho'ohanohano Initiative and if you want to help make a difference in your community, come to room I-5A. The room is located in the I building, in front of the senior tables. The meeting will take place this Friday, September 23rd, during lunch. During this meeting, the program leaders will describe what kind of volunteer work they need help with and will tell you more about the program itself. You can come to the meeting even if you're just curious about the program and don't plan on volunteering. All are welcomed and they hope to see you there!

The International Day of Peace is observed around the world each year on September 21st. Established in 1981 by unanimous United Nations resolution 36/37, the General Assembly has declared this as a day devoted to "commemorating and strengthening the ideas of peace both within and among all nations and peoples."

Starting on Monday, 9/19, join Kamakau Library in celebrating "Peace Day". Check out a book celebrating this year's theme, "End Racism. Build Peace" from our book display and help yourself to an origami crane as a symbol of peace. Sign up to participate in an origami crane workshop taking place at lunch on Wednesday 9/21. These cranes will carry messages of peace and will be exchanged with students from Lahaina Intermediate and Princess Nahi'ena'ena Elementary.

Questions? See Mrs. Nakata in the library. Happy Peace Day!
