COUNSELORS CORNER:

The filer of the Spring tests has been posted on our website and Facebook page. The deadline to sign up for the 9th grade PSAT 8/9 is this Friday, Feb. 16, 2024. The PSAT 8/9 is the first exam in the SAT suite of assessments. It is an optional test but will help students prepare for future tests like the PSAT 10, the PSAT/NMSQT, and finally the SATs. By taking the test, students have a starting point on what their strengths are and where they may need to practice or improve their skills.

The PSAT 8/9, PSAT 10, and the SAT have all gone digital for this spring and so the tests are shorter and students no longer have to fill in bubbles. Thirty seats are available for each test. Please feel free to email Ginny Yasutake or visit her in the college and career center in AA Building if you have any questions or concerns.

Class of 2024 seniors, there are virtual FAFSA workshops on Wednesdays from 6pm to 7:30pm starting from January 17th. Please see Ms. Ginny Yasutake at the College and Career Center if you have any more questions. Mahalo!
