Aloha Student Drivers,
Several students who purchased parking passes and were assigned spaces in the student lot have been unable to park in their assigned parking spot due to students without passes taking their spaces. All parking spaces have been assigned in the upper paved lot. Lahainaluna is a community, which means we need to respect each other and our physical spaces, buildings, etc. in order to have a cooperative and harmonious learning environment. If you do not have a parking permit for the upper lot, you may park in the dirt lot. If a student is running late or at an appointment that day, you may not take that spot because it has been assigned to another student.

Please show respect for your fellow students by following the parking guidelines.
