In celebration of National Library Week (April 6-12, 2025), the Hawai'i Association of School Librarians, in collaboration with Library and Information Science students at the University of Hawai'i, is excited to announce a Statewide Student Poetry Contest centered around this year's theme: "Drawn to the Library".

We're inviting students across Hawai'i to reflect on the role of their school libraries and express their appreciation through poetry. Submissions can be in written, audio, video, or visual image format.

Prizes will be awarded to the top poem in three divisions: elementary, middle, and high school. Schools with the highest number of submissions will also be awarded. All student submissions will be compiled into a statewide digital poetry book.

See the attached flyer for details.
