Aloha Students, This is a reminder that only students who have paid for parking passes are allowed to park in the student parking lot next to the stadium. All other students must use the dirt lot. Many students who have paid for parking passes have been unable to park in the paved student parking lot because students without parking passes have taken those spaces. Please show courtesy to your fellow students by not parking in that lot unless you have paid for a parking pass. Passes need to be displayed in the front windshield on the bottom driver's side corner.

At no time are students to be parking anywhere else but these two student lots. Finally, only licensed drivers may park on campus. Thank you for your cooperation.

Lahainaluna High School Kauwela Program. Take advantage of the free summer opportunity to recover credits. Please check the flyer attached at today's daily bulletin for more information. Mahalo!

In celebration of National Library Week (April 6-12, 2025), the Hawai'i Association of School Librarians, in collaboration with Library and Information Science students at the University of Hawai'i, is excited to announce a Statewide Student Poetry Contest centered around this year's theme: "Drawn to the Library".

We're inviting students across Hawai'i to reflect on the role of their school libraries and express their appreciation through poetry. Submissions can be in written, audio, video, or visual image format.

Prizes will be awarded to the top poem in three divisions: elementary, middle, and high school. Schools with the highest number of submissions will also be awarded. All student submissions will be compiled into a statewide digital poetry book.
