Please stand or remain silent for a moment of reflection and respect. Words cannot express the immense grief our nation is experiencing over the tragedy of September 11, 2001. We mourn the tragic loss of lives and injuries, and our deepest sympathies go out to the victims and their families. We also commend the heroic actions of the rescue workers, firefighters, police officers, and all civil servants who put their lives on the line. Let us join together today, as a community and a nation, to honor the courage shown that day, and the resilience that continues to define us. Please join me in a moment of silence.
