Hey Lunas! Are you ready for a challenge that's out of this world! Or maybe, under the sea? If so, join the Realm of the Gods Lego Challenge. Gather a group of 2-5 friends to research one of four Homecoming themes: Atlantis, Olympus, The Kosmos, or Arcadia, and bring your vision to life using Legos. You will share your build through writing or a video. Judges will select the winner based on the build and how it connects to the theme. The contest will run every recess and lunch period during the week of September 8-12.

Sign ups will be at the library. We can only accommodate five groups, so first come, first served. Please have the following information ready:
